## Trainer Job Opportunity

### Position:

**Sorenson Video Relay Service (SVRS) is seeking professional installers in the following areas: Lincoln, NE; Scottsbluff, NE; Council Bluffs, IA or Sioux City, IA; Des Moines, IA; Davenport, IA**

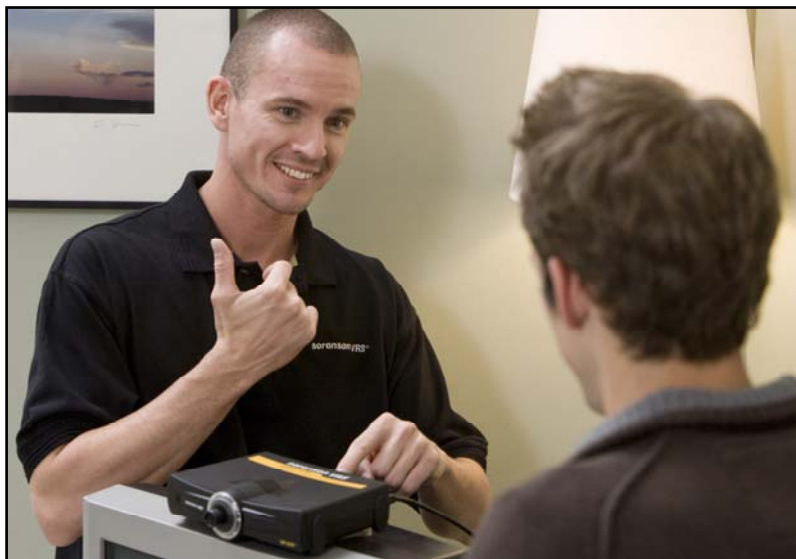

Installers will assist deaf and hard-of-hearing customers with installing a Sorenson videophone and/or Sorenson EnVision SL video relay software. This individual will be responsible for troubleshooting networking issues and training customers on how to place a video relay call. This is a contract position and requires use of a personal vehicle.

### Qualifications:

- Excellent communication skills and a good understanding of the deaf culture
- Ability to report service related issues and interface with the Sorenson VRS Support Department
- Must be familiar with all technical aspects of installing Sorenson VRS products including networking, router configurations, and firewall issues
- Bachelor's degree; preferred technical or science background
- Ability to effectively communicate in American Sign Language (ASL) preferred

### Compensation:

Commensurate with experience and qualifications

### Now Interviewing

Michael Zeledon, Sorenson Communications Outreach Manager, will be having one-on-one interviews on the following dates and times:

Thursday, July 24<sup>th</sup>  
3 pm to 5 pm  
7 pm to 9 pm
